

Navigation Plan

- My website will have a navigation bar with these types of coffee drinks below the header:
 - Home
 - Mocha
 - Americano
 - Frappuccino
 - Instant Coffee
 - Latte
 - Espresso
 - Drip Coffee
- After clicking the link, there will be pictures of the popular types of that peculiar drink
- Going over the picture, a pop up box will show up and tell the majority of the ingredients
- At the bottom right there will be a box with words inside saying back to the top of the page
- At the bottom of the page there will be a link to the home page
